

## Jim Harbin Student Media Festival

Congratulations to the Region 5 First-Place Winners of the Jim Harbin Student Media Festival. These productions were selected as the top media productions in their school, then District, and will now move on to the State Competition. First, second, and third place winners of the State Competition will be honored at an awards ceremony at the FAME Annual Conference in November. Florida Association for Media in Education sponsors the Jim Harbin Student Media Festival to encourage students of FAME members to communicate through media production and to recognize and reward outstanding presentations.
